Gentlemen

Your favor of Nov 30th duly received
also box & letter of coins. The lot is
very good and pleases me. I should like
to possess this lot but the Cost is far
more than I anticipated. In H & Brown sale
New York Oct 11th the 1851 US Dollar proof. sold
for \$54 your list shows ~~same~~ in uncirculated Con-
dition for \$70.00 I have the 1804 1836 1858
already knows where to secure a 1839. but a
lot like yours sold in a bunch for cash
ought to stand considerable reduction and I ask
you what you consistently can sell the entire
lot for? I have two more lots almost
complete but neither lot is as clean as yours
Please give me your very lowest price for
the bunch of all coins you sent me
and I will decide promptly -

Yours truly

Dear Friends:

Upon my return from attending the American Mining Congress convention held at St. Louis, Mo. all of last week I find your Remittance and Stock Certificates, for which please find enclosed the New Certificate and Receipt of Assessment. I sincerely thank you for same, and am pleased to state that there are only very few stockholders that have not exchanged their stock and paid the assessments, which places the Company in a position to close the year with a clear slate, and with first-class standing, almost a full line of good equipment, and a fair labor situation, and with the highest price for the product that we have ever had; from which I infer that the coming year will be a very productive and profitable for the Hahn's Peak Company.

Thanking you for the prompt response to our call and with my earnest effort for our best possible success I remain,

Respectfully yours,

H. O. Granberg.
